

# Wabash Capstone Project Notes 03

By: John Danison

# What Have I Done This Week

- Researched further into Kingpin & Couplers
- Scheduled a Time to Meet For GR1.5
- Wrote Gate Report 1

# Did I Do What I Say I Would Do?

Yes, I feel that I met my promises this past week. There is nothing outstanding where I am holding my group back from making progress.

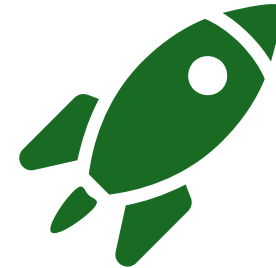

I have attended every class so far. I continue to lead the EE & DAQ of this project.

# Plans For Upcoming Week

## **Continue To:**

Refine Sensors, Power Systems, & Data  
Acquisition Strategies  
Communicate with Team Members

## **By EOW:**

Present GR1.5  
Acquire More Information From Wabash
